Book Bank Policy for Junior Infants to Second Class- 2020-2021

Previously we have offered English Readers to pupils from Junior Infants to Second Class for the Book Rental Scheme.

A New Language Curriculum has been phased in by The Department of Education and Skills.

The approach to Literacy is changing and there is far less reliance on a singular Literacy Programme E.g. Wonderland/Reading Zone.

In order to be compliant with these curricular changes/ we have introduced a Book Bank fee which will cover all your child's Graded Literacy needs throughout the school year.

You will no longer be required to purchase English readers. Instead, the cost for every child from Junior Infants to Second Class will be €10.

If you do not wish to be part of this Book Bank Scheme, please discuss the alternative with your Class teacher.

This money will be collected during the first week of September.
