

Glantane N.S.

## **The First Aid Policy of Glantane N.S.**

A fully equipped First Aid box is available in the Staff Room.

Any injuries in the playground during break times should be sent to be attended by the teacher in the Staff Room.

Any First Aid rendered by the school is intended to be purely of a temporary nature. Injuries should be fully examined by parents/guardians when children arrive home.

In the case of an injury / accident which requires further attention, the parent / guardian is informed. If they cannot be contacted, the child is taken for medical attention where necessary.

The details of all accidents are recorded in the Accident Report Book which is kept on the schools G Suite platform.
